Wednesday Mornings
February 29th - March 28th

Join an interactive group discussing each of this year's Gospels of Lent before they are proclaimed at Mass. We will explore the life of Christ before his death and resurrection through these Scripture passages. We may also explore the other readings of each Sunday because of their close connection to spreading the Good News of the Savior.

Pat Knuth is a St. William parishioner with a Master's of Theological Studies from St. Francis Seminary. Pat has led many studies in the past and they have been very well received.
