

# Thirsty People... Living Water

## A RETREAT FOR WOMEN

**MARCH 23-24—Schoenstatt Retreat Center..Waukesha**  
**Arrive Friday night at 7 p.m. and depart on Saturday at 4 p.m.**

Take a look around you! Look at the people at the mall, the library, the grocery store, the office, the park—you are surrounded by thirsty people who are drinking from wells that will never satisfy.

THIS is the quencher: Through His sacrifice, Christ carved out a well in the midst of the desert, to quench the thirst of our dying world.

Although you cannot force anyone to drink from His well of living water, you can take them to it and tell them how it satisfied thirst . . . forever!

Bring along an open mind and heart. Expect to be filled.

On the retreat you will build community, listen to a few presentations, have personal reflection time and experience prayer.

### Why Should I Go on A Retreat?

- I need the time to get away from taking care of others and spend time taking care of myself.
- It can help me get a new start in my faith life; no matter where I am today.
- It will make the season of lent special.

### But I've Never Been on a Retreat Before.

No worries. This retreat is designed for everyone, whether you have gone on many retreats or if this is your first one. Put yourself in God's hands!

### Information about the Retreat

You will be emailed information about what to bring and all the particulars of the retreat the week prior to retreat.
