Dear Ministers of Praise,

I pray this letter finds you well and enjoying all that summer has to offer; the warmer weather, the beauty of the earth in bloom and all the wonderful scents that fill the air this time of year. It is such a beautiful and restful time of year and I hope that you too can enjoy its many blessings.

It's the time of year when we find ourselves spending more time outdoors, swimming, hiking, picnicking, and just relaxing. The kids out of school and people are vacationing. Please pray for SAFETY; safety at play, at work and for anyone traveling whether by car or train or air, even on bicycles and tricycles. We also pray that all will be safe from the heat and all the elements of the weather. We continue to pray for all the people affected by the damaging weather that has crossed the country this spring. It will be a long time before the people affected in the many cities across the country are back to normal.

Pray also for our Parish family. Pray for all who are ill or alone that they find comfort. Pray for those who are unemployed or under employed that they find work. Pray for those who are grieving the loss of a loved one that they will find peace. Pray for all of our graduates as they continue on their life journey that they will take Jesus with them as their guide in making life decisions. Pray for Father Curt & Father Jason and for the entire parish staff and all the volunteers in the parish which makes our St William Faith Community such a special place to worship. Pray also for all of our church leaders that they follow the guidance of the Holy Spirit in all the decisions they make.

Thank you so much for your dedication to prayer for our monthly prayer requests. You are truly a blessing to St. William Faith Community.

Peacefully,
Sue Sieger
